

Dear Tom & Jan

October 18 2009

Just want to let you know how much I appreciate all you have done for us in the buying and selling process. In a tough market you have proven yourselves to be tough negotiators. I truly felt you had my best interest in mind.

I was surprised and impressed at the staging job you did on my Mira Mar property. You went the extra mile to finally secure an offer.

As a General Contractor I pride myself in knowing the right person for the job. In real estate I now know who to call to get the job done.

Thanks for everything,

Linzey Forrest
